Following points were considered for the rates.

- 1) AIIMS Delhi rate for all those investigations that are available in the AIIMS Delhi list.
- 2) Other AIIMS rate for all those investigations that are not available in the AIIMS Delhi list.
- 3) AIIMS Guwahati (estimated) rate for all those investigations that are not available in other AIIMS.
- 4) The AIIMS Delhi rate for blood glucose ^{area} random and serum chloride is zero. However, we have kept rates of Rs 20 for each of these 3 investigations in line with the rate of AIIMS Nagpur.
