# MBBS STUDENT INFORMATION BOOKLET

---

**All India Institute of Medical Sciences,  
Guwahati**

### **Director's message...**

It is from the vibrant classrooms and the bustling corridors, from the energetic playgrounds and the electrifying atmosphere of the auditoriums of our alma mater that we embark on a journey of discovery. A journey that not only shapes our academic and creative capabilities, but also builds the very foundation of our inner self. In the words of Swami Vivekananda, “We want that education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one’s own feet.” At AIIMS Guwahati, it is our constant endeavor to provide an atmosphere that is conducive for the holistic development of our students.

It is my proud pleasure to welcome you all to the All India Institute of Medical Sciences Guwahati, an Institute of National Importance. Our country India is a rich and colorful tapestry of cultures and traditions. AIIMS Guwahati, a meeting ground of people from all over the country, embodies the spirit of inclusivity and unity in diversity. Spread over a sprawling campus, the institute has several facilities to cater to the all-round development of the students, be it academic, physical or mental well-being. I encourage the students to engage whole-heartedly in both academics and co-curricular activities, with enthusiasm and zeal.

As young adults, our students are at a significant and pivotal phase of their lives. On one hand, they are full of energy, talent, creativity and hopefulness. On the other hand, it is important to harness this source of power to guide and steer it on a path of integrity and responsibility. At our institute, we strive to inculcate in our students the values of empathy, commitment to the society and a sense of purpose in life. It is my firm belief that the holistic teaching-learning environment at AIIMS Guwahati shall encourage our students to develop well-rounded personalities and prepare them to face the challenges of life with a positive mindset.

Wish you all the best.

**Prof. (Dr.) Ashok Puranik**  
**Executive Director**  
**All India Institute of Medical Sciences**  
**Guwahati, Ass**

### About Guwahati

The Gateway of North East India, Guwahati is situated on the banks of the mighty river, Brahmaputra. It is the biggest city of Assam and derives its name from the Assamese words "Guwa", the areca nut, and "Haat", the market. In ancient times, it was known as 'Pragjyotispura (Astrology city of the East). The city has unique scenic beauty due to its hilly and plain terrains and wide range of flora and fauna. The city enjoys a rich cultural diversity

#### Nearby places to visit

The city has a rich cultural history with some of the famous temples like Kamakhya Temple located on the top of Nilachal hill, the Shiv Temple of Umananda located on Peacock Island in the middle of the river Brahmaputra, the Basistha Ashram at the confluence of three streams, the Navagraha Temple- the "temple of nine planets".

Several tourist hot spots like Manas and the Kaziranga National Parks and the Pabitora wildlife sanctuary are located nearby Guwahati.

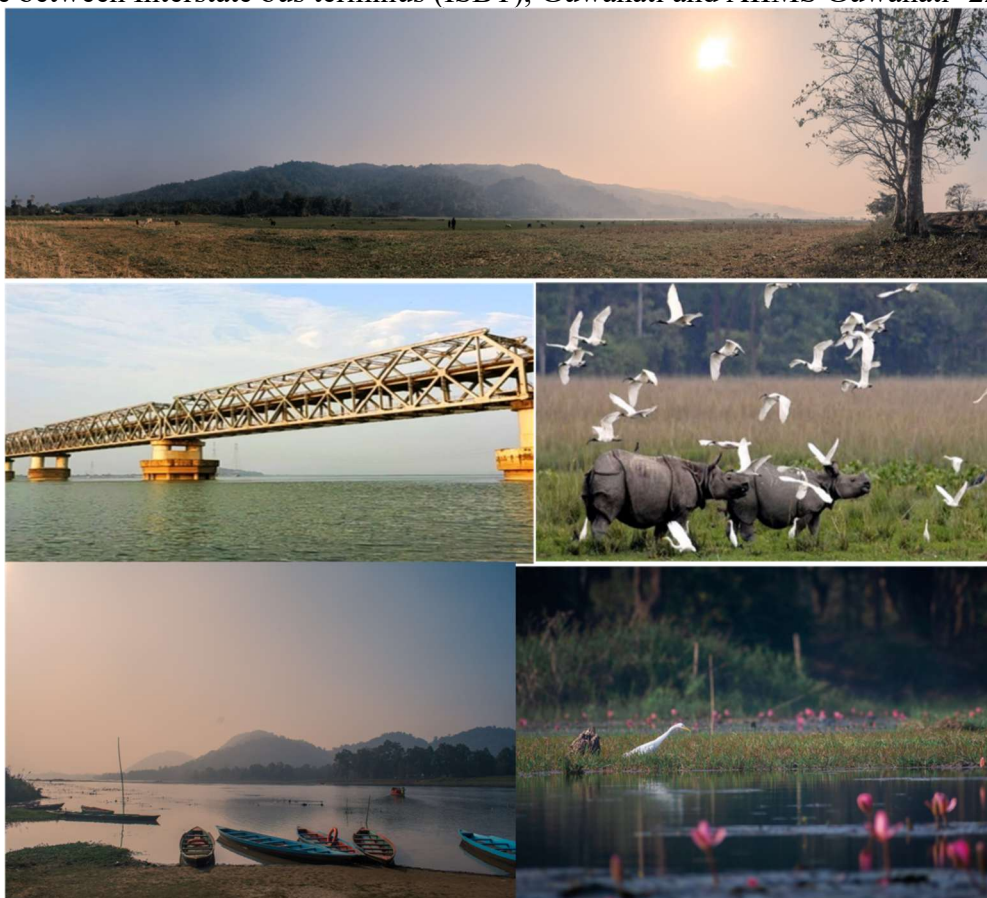

Moreover, Shillong, Cherrapunji, and Mawsynram, the wettest place on Earth, are located a few hours away from Guwahati.

#### Connectivity:

The city is well connected by air, rail, and road to the rest of the country

- Distance between Lokpriya Gopinath Bordoloi International airport, Guwahati and AIIMS Guwahati- 27 km
- Distance between Guwahati Railway Station and AIIMS Guwahati- 23 km
- Distance between Kamakhya Junction and AIIMS Guwahati- 17 km

Distance between Interstate bus terminus (ISBT), Guwahati and AIIMS Guwahati- 22 km

## About AIIMS Guwahati

Set in the natural beauty of hilly and plain terrain on the north bank of the river Brahmaputra, the All India Institute of Medical Sciences (AIIMS) Guwahati is an autonomous Institute of National Importance (INI) established by the

Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY) in May 2017. The foundation stone of the Institute was laid by the Honourable Prime Minister Shri Narendra Modi on May 26, 2017.

AIIMS Guwahati started its first academic session with a batch of 50 MBBS students on January 12, 2021. The current student intake is 100.

The Institute campus is located at Changsari, Kamrup (Rural) District, Guwahati, which spans an area of 189.2 acres. It has a naturally made pond filled with varieties of aquatic flowers including lotus and also serves as a habitat for many bird species including

migratory birds. [Picture courtesy: Prof. Manasi Bhattacharjee (dean (Academics), Mr. Ansh Jain (student) and Mr. Premey Akshunna (student)].

### AIIMS Guwahati mission statement:

To establish a centre of excellence in medical education, training, health care and research imbued with scientific culture, compassion for the sick and commitment to serve the underserved in north eastern India.

3. **Guest House** – Accommodation facility for parents of students, available at minimal rates and subject to availability.
4. **Sports and Games** – Facilities for both indoor and outdoor games available in the hostels.
5. **Institute Bus Facility** – Transportation provided for educational activities including clinical and community postings.
6. **ASTC A/C Bus Service** – Direct bus service from Khanapara to AIIMS Guwahati (7:10 a.m.) and back to Khanapara (4:30 p.m.).
7. **Other Facilities** –
  - In-campus branch of SBI for convenient banking.
  - Auditorium complex with a main hall seating capacity of 500.
  - Tea/coffee stall inside the OPD.
  - ATM facility in the AYUSH building.

## Library facility

The central library of AIIMS Guwahati was inaugurated on 23<sup>rd</sup> February, 2023 by Prof. (Dr.) Ashok Puranik, Executive Director, AIIMS Guwahati. The fully air-conditioned central library has separate reading areas for faculty and students.

**Reading Section:** 9.00 am-10.00 pm (Monday-Saturday) / Closed on Sunday and institute holidays. Adequate print books, and extensive online resources can be accessed by students.

## MBBS Course Outline

Bachelor of Medicine, Bachelor of Surgery [MBBS] is a 4 years and 6 months undergraduate medical course followed by one year of compulsory rotatory internship. Current intake of MBBS students is 100.

### Phase wise distribution of subjects

<b>1<sup>st</sup> MBBS (1<sup>st</sup>&amp; 2<sup>nd</sup> Sem)</b> <b>Core Subjects-</b> Anatomy, Physiology and Biochemistry <b>Other subjects-</b> Community & Family Medicine, Foundation Course, Medical Humanities/AETCOM <b>Duration-</b> 12 months	<b>2<sup>nd</sup> MBBS (3<sup>rd</sup>, 4<sup>th</sup>&amp; 5<sup>th</sup> Sem)</b> <b>Core Subjects-</b> Pathology, Pharmacology, Microbiology and Forensic Medicine & Toxicology (FMT) <b>Other Subjects-</b> Community & Family Medicine, General Medicine, General Surgery, Obstetrics & Gynaecology, Paediatrics, Medical Humanities/AETCOM <b>Duration-</b> 18 months
<b>3<sup>rd</sup> MBBS Part-I (6<sup>th</sup>&amp; 7<sup>th</sup> Sem)</b> <b>Core Subjects-</b> Community & Family Medicine, Eye and ENT <b>Other Subjects-</b> General Medicine, General Surgery, Obstetrics & Gynaecology, Paediatrics, Electives <b>Duration-</b> 12 months	<b>3<sup>rd</sup> MBBS Part-II (8<sup>th</sup>&amp; 9<sup>th</sup> Sem)</b> <b>Core Subjects</b> -Medicine, Surgery, Obstetrics & Gynaecology and Paediatrics <b>Duration-</b> 12 months <b>Compulsory rotatory Internship</b> <b>Duration-</b> 12 months

**Orientation week:** The orientation week at the beginning of the MBBS course is aimed to sensitise the fresh medical student to this new course and also to acclimatise to the new professional environment which would be his/her milieu for a life-long career in the medical profession. The orientation week will be followed by regular classes of medical humanities/AETCOM which will help students to acquire necessary competence in the attitudinal, ethical and communication domains with a sound foundation of this affective domain which will help the budding doctors later in their professional career.

**Dress code:** The students are expected to attend the classes/clinical postings in formal attire and properly groomed. This is extremely important to maintain the dignity of this noble profession. The students must wear full sleeve, knee length lab coat/apron bearing institutional logo.

**Examination Regulations:** 75% attendance and 50 % marks in assessment in each subject separately for theory & practical/ clinical postings is compulsory for appearing in the final examination to be held at the end of 2<sup>nd</sup> semester (1<sup>st</sup> MBBS), 5<sup>th</sup> semester (2<sup>nd</sup> MBBS), 7<sup>th</sup> semester (3<sup>rd</sup> MBBS Part-I) & 9<sup>th</sup> semester (3<sup>rd</sup> MBBS Part-II). Students must secure at least 50% of total marks to pass in any examination conducted in any subject (theory and practical separately). If a candidate fails either in theory or in practical/clinical Examination of a subject he/she will be declared failed in that subject and he / she will have to appear for both theory and practical / clinical Examination again.

**Part exam will be allowed in all the professional examinations.**

**Total number of attempts will be 4 in first professional examination**

**Students have to clear first professional exam in maximum 4 attempts failing which his/her name will be struck off from the student list of the institute.**

**Under no circumstance will any student be allowed to continue the MBBS course including internship beyond 10 years from his/her date of admission failing which his/her name will be struck off from the rolls of the institute.**

**Student may refer to the MBBS curriculum for detailed rules**

**Winter break:** 24<sup>TH</sup> December – 1<sup>st</sup> January

**Summer break:** 1<sup>st</sup> – 15<sup>th</sup> June, 2027

**Institute day:** 12 January. As the academic session of **AIIMS Guwahati** commenced on **12th January 2021**, this date is celebrated every year as the **Institute Day**. All students are expected to be present and actively participate in this auspicious occasion. On this day, a

**Guest Lecture by an eminent faculty from the medical field** is organized especially for the students, providing an excellent opportunity for academic enrichment and inspiration.

Fifth Saturday: Co-curricular event 10 AM to 1 PM						

## CO-SCHOLASTIC ACTIVITIES

Co-scholastic activities are promoted by way of forming four groups as detailed below.

### SPORTS GROUP

Based on the concept of “**Health is Wealth**” the sports committee of AIIMS Guwahati encourages sports activities amongst students and motivates them to participate and play regularly. The MBBS time table has been designed to accommodate sports activities for both boys and girls that helps them to refresh and re-energize.

The sports committee had conducted Sports events and competitions for the students as well as faculties within the campus of AIIMS Guwahati. The sports committee organizes various games (cricket, volley ball etc.) for students, nursing officers and staff of AIIMS Guwahati. This activity helps the students to know their colleagues better, to follow their passion for sports and develop professional relationships despite their hectic academic schedule.

### LITERARY GROUP

The Literary Group of AIIMS Guwahati has been an active platform for students to express their creativity, sharpen their critical thinking, and enhance their communication skills. Over

the years, the group has conducted a variety of engaging activities such as quizzes, debates, extempore speech competitions, and drama performances.

One of its notable initiatives was the launch of the college magazine “*The Brocas’ Broadcast*”, which was conceptualized, prepared, and compiled by the members of the club, reflecting the literary and artistic spirit of the institute. The group has also taken pride in organizing open quiz competitions under the banner “*ExQUIZite*”, which became a popular event among students.

In addition to organizing its own events, the Literary Group has actively participated in inter-club activities, often securing top positions in debates, dramatics, and other competitions, including those held on Institute Day and special observances like Earth Day. Members have also written and directed plays that creatively conveyed socially relevant themes, earning appreciation from peers and faculty alike.

Through these diverse activities, the Literary Group continues to nurture talent, promote intellectual engagement, and contribute significantly to the cultural and academic vibrancy of the institute.

### **CULTURAL GROUP**

The Cultural Group of AIIMS Guwahati, comprising both faculty and students, serves as a vibrant platform to celebrate the diverse traditions, art forms, and festivities of the institute community. Members of the group regularly come together to showcase talents in music, dance, recitation, instrumental performances, and other cultural expressions. The group plays a central role in adding colour and joy to all important occasions celebrated at the institute.

Through the year, the Cultural Group organizes and participates in a wide range of events and festivals. These include Teachers’ Day celebrations, Freshers’ Day for welcoming new batches, and traditional festivities like Bihu, Garba, Saraswati Puja, Ganesh Chaturthi,

Diwali, Holi, and New Year's Eve gatherings. Each event is marked by spirited performances, cultural displays, and enthusiastic participation from the institute community.

A significant milestone in the institute's cultural journey has been the launch of *ETERNIA*, the socio-cultural fest of AIIMS Guwahati, which has quickly become one of the most awaited events on campus, bringing together a blend of tradition, creativity, and modern performances.

To further nurture the musical talents of students and faculty, a **dedicated Music Room** has been established on the first floor of the Medical College building. Equipped with instruments such as keyboard, drums, guitar, harmonium, and synthesizer, it provides a space for practice, collaboration, and creative expression.

By actively engaging in such initiatives, the Cultural Group continues to foster unity, promote cultural diversity, and enhance the festive and artistic spirit of the campus.

**ENVIRONMENT GROUP** The Environment Group of AIIMS Guwahati is dedicated to promoting a greener, cleaner, and more sustainable campus. The team regularly surveys

different areas within the institute to plan eco-friendly initiatives such as tree plantation drives and landscaping. Locations are identified not only for shade and beautification but also for their role in air purification and creating a healthier environment for the campus community.

The group actively celebrates international environment-related days, with a special focus on **World Environment Day (5th June)**, which is observed each year to raise awareness about sustainable living and the importance of a pollution-free environment. On this occasion, a range of creative competitions such as essay writing, slogan contests, poster-making, and painting are organized for students, faculty, and staff to highlight the year's global theme and encourage active participation.

Through these activities, the Environment Group strives to spread awareness about environmental protection, conservation, and sustainability. By inspiring collective action, the group plays a vital role in reminding the community that a healthy environment is essential for the well-being of all living beings.

## Independence Day celebration in AIIMS Guwahati

**MENTOR-MENTEE PROGRAMME:** The institute has a Mentor-mentee initiative under which student admitted in first years is assigned a faculty member as his/her Mentor for guidance and support during the MBBS course.

The Mentor mentee contact session is planned every month and apart from this the mentee can approach the Mentor anytime for guidance and discussion of problems and issues during his MBBS course.

## ANTI RAGGING POLICY-AIIMS GUWAHATI

This is a ragging free campus and the institute strictly adheres to the anti-ragging policy and guidelines laid by the University Grants Commission (UGC). The students are required to visit the website [www.antiragging.in](http://www.antiragging.in) and read all the guidelines pertaining to ragging. The students are also required to submit declaration and online affidavit pledging to abide with all the anti-ragging regulations. The students must understand what constitutes ragging and must report any incidence of ragging that they experience/ witness to any of the members of the anti-ragging committee mentioned below. 12 August is observed as anti-ragging day every year. Other measures taken by the institute to curb ragging include surprise inspection by mobile anti-ragging squad and provision of complaint box.
